- E. Shelving (all types).

Humanitarian

As we give away clothes, food, and other necessary living items we receive a tremendous blessing knowing these items help the poor to survive and care for themselves.

- 1. **Bulk Food:** (non-perishable, non-expired, no meat products). With food, the expiration date must be marked no less than 6 months from the date the shipment is sent from its point of origin to Romania. Peanut butter is a great item to send.
- 2. **Clothes:** Men's, women's, all children, all seasons, jackets, pants, shirts, shorts. Clothes must be practical, cleaned, and boxed or bagged according to men's, women's, boys, or girls. **SECOND HAND SHOES & UNDERGARMENTS ARE NOT ALLOWED INTO ROMANIA.** But, NEW shoes and undergarments are good. Any clothes under 3T must be brand new. Disposable diapers are good.
- 3. **Hygiene items:** Toothpaste, toothbrushes, soap, deodorant, shampoos, lotions, combs, and hairbrushes.

Household

Part of our strategy for bringing the Word of God to un-reached villages in our area is to invite youth from other parts of Romania and have them assist us in our mission. We will provide suitable places for them to stay which will need to be furnished.

Construction & Business

The following items will be used for building churches, houses, maintenance in our network of ministry locations, and for assorted gardening projects for food and survival. The Pastors from local villages often have their church meetings in small rooms. We are developing ways to assist these local village pastors by building larger facilities in which more people can meet. We are also currently developing some business ideas, which require good tools. We have transformers, which convert from 110 to 220 power.
